Department: County Administrator

AGENDA ITEM WORDING:

Approval to return a donation that was made available to the Art in Public Places Committee from the Rodel Foundation for prizes in the Gateway to the Keys design project.

ITEM BACKGROUND:

The Monroe County Art in Public Places Committee secured a donation of \$5,000 to support a design competition for an entranceway to the Keys. The restriction on the donation was that the money was to be used for a prize or prizes in the Gateway to the Keys design competition that was to be developed by the Art in Public Places board. No design competition was held and no awards were given due to jurisdictional disputes over projects on or near the right-of-way and funding was not available for the actual project. Therefore, the conditions of the donation could not be met.
